

DJNAV SYDNEY

WEDDING DJ SINCE 2004

ABOUT ME & MY COMPANY

DJNav works with couples to achieve a beautiful, memorable and joyful wedding celebration. His approach is tailored for a smooth and reliable service, noting that no two weddings are the same.

He is exceptionally professional with over 15 years of Wedding DJ experience and will ensure the music and entertainment compliments your vision for your special day.

DJNav takes a consultative approach with couples to arrive at the package which services their goals and budget. DJNav will help you develop your playlist and can accommodate requests from the floor on the night. The last thing you will have to worry about is the entertainment for your guests.

DJing is more than just playing music - DJNav takes pride in guest enjoyment and engagement, sound quality, lighting, ambiance, pace/flow and can provide advice from his years helping couples celebrate.

DJNav will ensure you have an amazing celebration seared into the memories of your guests and loved ones for years to come.
